2022

Positive Behaviour School
Achievement Integrity Care Respect

Hello and welcome to the 2022 school year
from the library!

My name is Leanne Rose and I am the Library Officer
here at Wandering Primary School.

Our school library is open every Monday
from 8.30am until 2.30pm,
with students borrowing during class time.

We would also like to invite parents
along with their younger non-school age children,
to borrow from our fantastic selection of books.

Please feel free to come and see me
if you would like to take advantage of this.

I sincerely look forward to helping our students
cultivate a love of books and reading,
through encouragement, engagement,
creativity and imagination.

There are lots of exciting events planned, occasions to be celebrated and competitions to be entered in our library this year, including;

CLASSROOM COMPETITION

“Remember to Pop Your Books Back”

This competition is being run between the classrooms with the winning class (being the one with the most students returning their books on time) being rewarded with a special treat at the end of Term 2!

So please encourage your children to remember to return their books each **MONDAY** to our school library.

THEMES

Each week a new theme will be displayed, explored and discussed in our library.

Which one will be the favourite?!

Positive Behaviour School
Achievement Integrity Care Respect

OVERDUE LIBRARY BOOKS

Each week the students are permitted to borrow books from our school library and to take them home to enjoy.

With this privilege, comes responsibility. The borrowed books must be taken care of and returned each week to the library.

If books are not returned on a weekly basis and they become overdue, a reminder letter will be sent home.

After a set period of time, if an item is not returned, an invoice requesting payment for the cost of the book, may be sent home.

Similarly, if a book is returned to the library damaged, the replacement cost will also be requested.

We ask that you help us take care of our valuable school resources.

LIBRARY BAGS

Please note that students will not be permitted to borrow books from our school library unless they have a library bag in their possession at the time of class borrowing, which is every MONDAY.

This is to ensure the general protection of our hard earned school resources.

A Library Bag is available for purchase through the Uniform Shop, and we encourage the use of this particular item due to its durable coated fabric.

Please be aware that no bag will offer entire protection. It is good practice to create the habit early, for students to store their drink bottles and food items in a separate compartment of their school bag to items such as library bags, school work and text books.

SCHOLASTIC BOOK CLUB

We are once again able to offer the purchase of some fantastic books, through the Scholastic Book Club.

There are usually 8 issues per school year,
with 2 issues being sent home per term.

Did you know??

For every dollar spent through the
Scholastic Book Club,
our school earns **SCHOLASTIC REWARDS!!**
.....which means more books and resources!!
.....which means better reading opportunities
for your children!!

Look out for the **GOLD COIN BOOK**
in every issue – every child deserves a book!
