Principal's Chat

This has been another busy week. The teachers are busy writing report comments, practicing their items for presentation night plus finishing off work.

The students are looking forward to our mystery guest, who is currently leaving clues around the school for the students to find. They are putting the clues together and they think it might be the Wiggles as one of the clues is "I like colours" and "I like children." It will all be revealed in the last week. In the meantime keep looking for the clues!

Swimming is starting next week and I am looking forward to attending a few days. As we are a small school they were able to keep everything the same as last year. The students will be exhausted by the end of the week.

On the 15th December the P & C will be providing lunch for all students and staff as a way of saying thank you for supporting the canteen. Thank you Theresa for making this happen for our students.

Reports will be going home on the 13th December 2021. We are busy proof reading at the moment.

Presentation night is on Wednesday 15th December arrival at 6.15pm for a start time of 6.30pm, I'm looking forward to seeing our first presentation night and our parents, carers and other family members as well as member from the community.

December 16th is the last day of school. We will be holding a colour run fun day after lunch so please make sure your child has their bathers, towel and an old white tee shirt.

Have a great weekend.

Regards

The Library Lowdown

Well we have certainly had a very busy and productive year in our school library. We have focused on lots of different themes, read some amazing stories and have been lucky enough to have lots of new books added to our shelves (the rewards we earn through our Scholastic Book Club program and annual Book Fair plays a really big part in this!)

We've had our classroom competitions, with congratulations going to the Junior Room in winning this Semester's "Don't Fill the Bucket".

Please encourage your kids to keep their daily reading going over the holiday period. Books and reading (along with a visit to the library!) are a great way to fill in some of the too hot days to be outside or on the go!

Senior Class Newsletter

We Watched Mr Minter move farm equipment.

We were tasked to take care of our precious Eggs for a week. There were a few early casualties, but overall the experiment went well.

We have finished our Greek Gods assignment.

We became elves for a day. No shelves were broken in the making of this day!

JUNIOR ROOM

ELFIE IS BACK 😊

He is back and with a friend! We can't believe the Caldwell's cheeky elf has come to our classroom to cause mischief together with Elfie. Let's see what they get up to together.

*We have been practicing everyday
and we are so excited to be able to
share with you in a few weeks! Not
long to go now.*

Hopefully you are all excited :D

PRE KINDY ORIENTATION 😊

Three days done and dusted and I think they are more than ready to start school next year! It's great to see them participate in our activities and make friends with their future peers.

Wanderings Wonderful Workers

Congratulations Daniel, Damon, Joel and Hannah on receiving Merit Awards on our very last assembly for the year!

Senior students working with the junior class on a visual activity.

At this weeks assembly we presented the terms Birthday students with their birthday pencils and sung them a hearty rendition of Happy Birthday!
Happy Birthday to Joel, Lily, Milla, Polly and Buck!

The Junior Students made a lemon yogurt cake and a zucchini slice, it was yummy!

P & C Notice

The P & C Committee urgently needs Committee members for 2022. Our role is primarily to fundraise for the School. If you are able to help please let us know.

The P&C AGM is held each February (date to be advised) at which time all Office Bearer Positions are declared vacant. We need a minimum of 5 people to constitute a quorum. The positions of President, Secretary, Treasurer, (Vice President Optional), Uniform Coordinator, and School Lunch Coordinator are required to be filled. We have a few parents moving on from our already small committee so to ensure we can keep a committee running please step up.

Kind Regards

Roy
